

Adding video to a blog

The screenshot shows the Blogger dashboard with the 'Create' tab selected. It includes fields for 'Title', 'Edit HTML', 'Compose', and 'Preview'. At the bottom, there are buttons for 'PUBLISH POST', 'SAVE NOW', and a link to 'Return to list of posts'. A 'Post Options' section is partially visible at the bottom left.

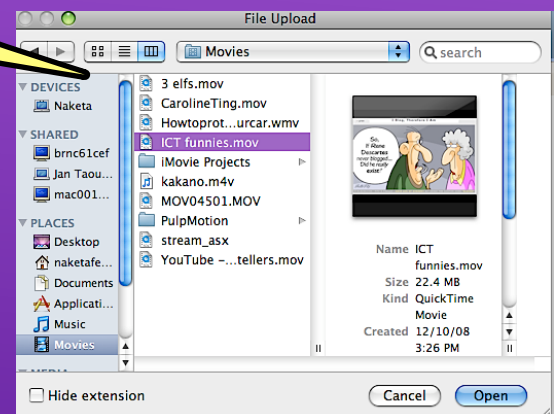

SIGN IN TO YOUR BLOGGER DASHBOARD

*CREATE NEW POST
*ADD A TITLE INTO YOUR NEW POST
*CLICK ON THE VIDEO ICON

This dialog box prompts the user to 'Choose a file to upload' with a 'Browse...' button. It lists supported video formats: AVI, MPEG, QuickTime, Real, and Windows Media, with a 100 MB maximum size. There is a 'Video Title' input field, a disclaimer about infringing material, and a checkbox for 'I agree to the Upload Terms and Conditions'. At the bottom are 'UPLOAD VIDEO' and 'CANCEL' buttons.

Add a video to your blog post

This is a second instance of the 'Add a video to your blog post' dialog box. The 'Browse...' button is replaced by the file path '/Users/naketaferguson/Mo'. The 'Video Title' field is filled with 'ICT Funnies'. The 'I agree to the Upload Terms and Conditions' checkbox is checked. The 'UPLOAD VIDEO' and 'CANCEL' buttons are at the bottom.

PRESS UPLOAD VIDEO

ONCE YOU HAVE CLICKED ON UPLOAD VIDEO, THE SCREEN WILL LOOK LIKE THE SCREEN TO THE LEFT.

THE UPLOADING DIALOGUE WILL APPEAR, FOR LARGE FILES IT WILL TAKE LONGER. DON NOT CLOSE THE DIALOGUE BOX OR SCREEN UNTIL IT IS COMPLETE.

WHILE IT IS UPLOADING YOU CAN ADD TEXT ETC, WHEN IT HAS COMPLETED PUBLISH POST.
